January Sermon Series: Winter can be a time of Seasonal Affective Disorder when the lack of sunlight affects our moods and ability to cope effectively. But **Spiritual Affective Disorder** can also be a factor as we lead lives that are too crowded, busy, overcommitted, sometimes disturbing and uncertain. At the turn of this new year, we will explore everyday life activities that can become spiritual practices—deepening our experience of a meaningful life and make us more “light-hearted.” Join us beginning January 6 at 10 a.m. worship.
