January Sermon Series: Winter can be a time of Seasonal Affective Disorder when the lack of sunlight affects our moods and ability to cope effectively. But **Spiritual Affective Disorder** can also be a factor as we lead lives that are too crowded, busy, overcommitted, sometimes disturbing and uncertain. During this series we will explore everyday life activities that can become spiritual practices – deepening our experience of a meaningful life, making us more “light - hearted.”

Book Discussion Group has selected *Battlefield of the Mind: Winning the Battle in Your Mind* by Joyce Meyer (2002) as their next book for discussion. “Worry, doubt, confusion, depression, anger and feelings of condemnation: all these are attacks on the mind. If readers suffer from negative thoughts, they can take heart! She teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks.” Next discussion is expected to be Monday, February 4 at 1:30 p.m. The group is led by Jennifer Haag.

Join the Prayer Group and lift up prayer requests of our church, community and the world beyond. We meet weekly on Thursday at 9:30 at Pastor Sandy’s home. Everyone is invited to join the prayer team! A huge thank you goes out to Bruce Benke who led the prayer group for many years. Bruce has resigned his position as leader and Rev. Sandy will be leading the group moving forward.

NCG BC Cluster Meeting The next BC Cluster meeting is scheduled for February 12, 2019 at 7:00 PM so mark your calendars. Location TBD.

HELPING HANDS ... You too can help!

Church member, Fred DiManno, showed this past October how the Mission and Outreach’s new **HELPING HANDS** program is designed to work. He was called to assist in a project that needed immediate attention. With no hesitation, he built a platform for Nancy Seymore’s home that allowed her to be moved from one part of her home to another while in her wheelchair. He added a ramp that gave Nancy the opportunity to get from her bed to the outdoors to enjoy some fresh air. The M/O budget paid for the supplies to build the ramp and Fred donated his time and skills. A perfect **HELPING HANDS** success story!

You too can help! We want to help church members or Boulder City seniors who need help with light house or yard cleaning, minor home repairs, and other similar projects. We need names of those who could use this kind of assistance and we need names of those who would be willing to help with these projects. Please contact any committee member with your name if you need this kind of help or suggest the name of any other person(s) you know who may need help or give us your name if you would like to be one of the “helping hands”.
